FILE HEADING

Levy of market-fees Octroi &c in the municipalities

From

The Deputy Comr. of Hissar

No. 3465 Dated 22 5 17 Received 29 5 17

Diary No 3465	Enclos Nil Records Spare Copies	Serial No 1

BRIEF ABSTRACT OF LETTER

Requests sanction to the proposal of the Hissar Municipal Committee to levy market fees & Octroi on certain items at the rates specified & also to the postponement of the former (market-fees), should occasion arise therefor —

NOTES AND ORDERS

The increase on account of the proposed enhancement has been provided for in the Receipt side of the draft budget of the Municipality for 1917-18

2 Draft Levy is put up.

Rel° File No 228 of 1916

Serial No

3 The proposal of the Aluvihare Rural Board is for the levy of octroi on jaggery and kerosene oil and market fees on a few other items

4. The present income of the Aluvihare Rural is about Rs 4900 of which a sum of Rs 3300 is derived from octroi, which is at present levied on coconuts, fresh and dry, Betel leaves, Tobacco and Betel

5 The incidence of taxation per head of population is a little over Rs 4/- and is very high But the heaviest burden is partly borne by the neighbouring villagers who resort to Aluvihare market for purchases It is still a matter for consideration whether further taxation is necessary or justifiable

6 The levy of market fees which is in the nature of ground rent may be sanctioned but the levy of octroi is of doubtful necessity especially as a large part of the burden falls on those for whom the municipality can offer no return

7 Draft sanctioning however put up for approval or other orders

Municipal Board
Hassan District.

B. Ramaswamiya, Esquire, B.A., B.L.,

Offg: Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department,

Bangalore.

Sir,

I have the honor to state that in view to improve the finances of the Municipality and in consideration of the fact that a large number of carts and animals enter in the weekly-Shandy at Alur, the Municipal Board of the place have at their meeting held on the 22nd December 1916 proposed the levy of - market fees on the marginally noted carts and animals at the - rates noted against each and also to the levy of Octroi on - Jaggery and Kerosine Oil at the rates of 2 annas per maund and one anna per tin respectively. It is further reported that an annual income of Rs. 2000/- is expected to be realized by the - levy of the said fees as per particulars furnished therein.

Name of item,	Rate,	No. of items expected per week,	Amount per annum
1. Cart laden,	0-1-0	400 Carts	Rs 1200/-
2. Cart Unladen	0-0-6	360	Rs 900/-
3. Cattle per head,	0-0-6	200	Rs. 150/-
4. Sheep and Goats,	0-0-3	100 Maunds	Rs 600/-
5. Jaggery per maund,	0-2-0	50	Rs. 150/-
6. Kerosin Oil, per tin	0-1-0		
		Total Rs	2000/-

The different rates of 0-1-0 and 0-0-6 per head of cattle the levy of one pie on each pig as proposed in the list - losed in the Vernacular Paper file appears to me to lead - complications and inconveinence which have therefore been - altered to a uniform rate of 6 pies in the 1st. case and omitted in the 2nd.

Under the above circumstances I request that you will be good as to obtain the sanction of Government to the levy of t fees and Octroi duty on the said articles at the rates e referred to with effect from 1st. July 1917 and also to farm out the levy of market fees on the 1st. four items

should
